

A technical drawing of a mechanical assembly, likely a pump or motor component, shown in a cross-sectional view. The drawing includes several numbered parts: 1 (a small rectangular component on the left), 2 (a horizontal shaft or rod), 3 (a vertical component), 4 (a horizontal component), 5 (a vertical component), 6 (a horizontal component), 7 (a vertical component), 8 (a horizontal component), and 9 (a vertical component). The drawing also shows various internal features, including a central shaft, a housing, and a flange.

SPECIFICATIONS:

Contact Resistance	: 30mΩ max
Insulation Resistance	: 100MΩ min. at DC 500V
Dielectric Withstanding Voltage	: AC 500V for one minute

Remark: ▲: The Most Important Dimension
